A SONG OF SONGS.
From the perfumed, golden Sun-Land,
Where the herbs give strength divine,
Where the fruits yield richest flavor,
I have drawn my wondrous power,
Power not so much for healing
As for *Sickness's Prevention*,
Nursing Health's own rose flower,
With a grand *wakening* vigor,
To the glorified human system,
Never fear the Hour of Life!

What dire use is only found in
LAW AND COSTLY DOCTOR'S BILLS!
Would you then save Time and Money?
Would you then save *Nerves and Muscles*?
Would you escape the *pangs of sickness*?
Would you keep by ACTION's shrine?
Well—the *Talisman* is simple;
Use My beverage divine!—

Add one teaspoonful of me only
To a tumbler of cold water;
Drink it first thing in the morning;
Save before your night's retiring—

"But you say?" I hear you question:

claims its use as above directed, and finds it very bene-
ficial.

Also another well known gentleman in New-York has
used the Medicated Cider constantly for ten years, and has not

DR. W. H. GREGG—Dear Sir: I have been
suffering for a long time with what physicians call

the *PROSTATE GLAND* and *BREATHING* PRO-
BLEMS.

and was unable to obtain any relief until I used

CONSTITUTIONAL MANDRAKE PILLS, which produce its
desired effect, taking one or two doses, and no man

can more grateful than I am the results having per-
fected all that a man could suffer, and live; and rather
than be deprived of the medicine, I would be willing to
pay FIFTY DOLLARS for a bottle of it.

It is not only cured me, but several other officers in
my district have been cured by it, and I would recom-
mend everybody suffering from any disease of the kid-
neys to use Constitution Water.

Business Notices.

IMPORTANT TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick
child suffering and crying with the excruciating pain of cutting
teeth? It is so, go at once and get a bottle of Mrs. WILSON's
SOOTHING SYRUP.

It will relieve the poor little sufferer im-
mediately, depend upon it; there is no mistake about it.

There is not a mother on earth who has ever used it who will
not tell you at once that it will regulate the bowels, and give
rest to the mother, and relief and health to the child, oper-
ating like magic.

It is perfectly safe to use in all cases and
pleasant to the taste, and is the prescription of one of the
widest and best female physicians and nurses in the United
States.

Price 25 cents a bottle.

BECAUSE A PERSON HAS A BAD COUGH, it
should not be inferred that Consumption has set in, yet no
one (with rare exceptions) can have Consumption without a
Cough, sooner or later. Where a predisposition to Pulmonary
Disease exists, a Cough, if left to itself, strains and rocks the
Lungs, and wastes the general strength, and soon establishes
an incurable complaint. In all cases, then, it is the safer plan
to get rid of a COUGH, COLD OR HOARSENESS, without delay,
and for this purpose no remedy acts more promptly, or surely,
or with more benefit to the organs of the chest, than Dr. D.
JAYNE'S EXPECTORANT, an article scientifically compounded
from carefully selected drugs, and which, on trial, will always
be found worthy of its world-wide reputation. Sold every-
where.

HALE'S HONKY OF HOREHOUND AND TAR.—

where there is nothing else. See per bottle. For sale by all
